SCHOOL GOVERNING BODY ELECTIONS 2021

Dear parents and guardians

Re: Parent Nomination Process Completed - SGB 2021

Thank you for the nominations for parent members of the SGB for the next three years. This process closed on Thursday afternoon. We have met and opened the sealed box and found 9 (nine) completed nominations. As you know, Graeme College has 9 parent members on the SGB, and thus all nine are therefore duly elected. The parents nominated and elected by default are:

Boy, Steven
Duba, Siyabonga
Lensley, Barend
McConnachie, Cameron
Muir, Ellouise
Ripley, Natalie
Twaku, Lunga
Walters, Etienne
Wiblin, Kerry

As per the 2021 Education Department Election Guidelines (12.4 -a) - *“If the total number of valid nominations is equal to the required number of parent members after the elapsed of the nomination time, those nominated are declared to be duly elected...”* As a result - there will **not** be a need for our parent body to vote. This process has been ratified by the Department of Education. The new SGB will meet next week where specific portfolios will be confirmed.

We would like to congratulate the parents elected to the SGB for 2021, and also thank the parent body for getting involved in the process.

Yours sincerely

Luhann Wepener

Headmaster Ntaba Maria
