

WEEKLY NEWSLETTER 4 October 2024

“Individual commitment to a group effort – that is what makes a team work, a company work, a society work, a civilization work.” - Vince Lombardi

Message from the Deputy Headmaster

Above: Fun Fair 2024- an aerial perspective! Thank you Keagan Berriman for the photos.

Every year we state that there are two major components to our Family Fun Fair...

- 1 - An important fundraising event.**
- 2 - A major event to bring our community together for a day of incredible fun.**

The quote above is so powerful, and to add.. its what makes a school work! We are always so thankful to our parent community along with our teaching staff, admin staff and ground staff. Likewise, so much thanks must go to the support we receive from local businesses. It's a major event, where people put so much time and effort in the preparation - never mind the endless hours of graft and hard work on the day itself. There were so many people working from 11am to 6.30pm! Non stop!!!! It is absolutely incredible. We have continuous conversations about whether the event should be hosted bi-annually or annually, and I was stunned when after a 7 hour shift, parents are still adamant to do it every year. That's says so much about the people in our community. We are the community school, and we are so grateful and proud to get all the support that we do.

This newsletter message is just another rave about our community. We want to extend our heartfelt gratitude for your incredible support. Your contributions have made a significant impact on our school community, and we are truly thankful for your generosity and involvement. Every donation, big or small, plays a vital role in making the day special. Thanks to your support, we can provide new resources, improve facilities, and create opportunities for our children to thrive. Your commitment not only enriches our programs but also fosters a strong sense of community that is essential to our school's success.

We believe in the power of gratitude, and we want you to know how much we appreciate your efforts and recognise the strong bonds within our community. Thank you once again for standing by us and for believing in our school.

K M WATSON
HEADMASTER

Dear Parents and Guardians,
Please find below a letter from Mr. Watson regarding an important upcoming event. You are cordially invited to attend the 2025 Budget Meeting on Tuesday, 29 October 2024. A printed copy of the notice was handed to each learner on 10 September 2024.

We look forward to your participation as we discuss important matters regarding our school's budget and future plans.

Science

Congratulations to Daniel Czeredrecki-Schmidt who was selected to compete in the national round of the Eskom Science Expo in Johannesburg last week. Danny scooped up many awards in the previous regional round for his project which looked at the efficacy of cornstarch bioplastic aggregates as temporary pothole patches and was invited to present his project at the national level where he received a silver award in the Environmental Sciences category. Incredible!

Grade 5s

Well done to our Grade 5 boys for achieving a Leopard Certificate for their outstanding hard work during Term 3! Your dedication and effort truly shine through. Keep up the fantastic work! We are proud of you! 🌞

Photo Day

GC Photo Day

- Senior photo day is on Tuesday, 8th October
- Juniors' on Wednesday, 9th October

Senior photo day is on Tuesday, 8th October and Junior photo day is on Wednesday, 9th October. Learners must ensure that they pack the correct uniform/sporting gear. Learners have until Monday, 7th October to pay for individual and sibling photos at R150 per package. The price and date for ordering group photos (e.g. class, sport etc) will be communicated at a later date. At this stage we are only accepting payments for individual and sibling photos.

Grade 4s

Our Grade 4 boys had a great morning yesterday creating colourful posters to showcase their stalls. It was a great way for them to express their creativity and teamwork, while preparing for the family fun fair. It did indeed attract visitors to their stalls! Well done Grade 4s.

Community Engagement

We here at Graeme are so proud of our recent work this term to help our community. We would like to thank you for being a part of our projects that we undertake. Our mission for community engagement is a 24/7 undertaking! We need your help to continue our work. Past campaigns have enabled us to really be impactful to those who need. If you have anything to donate, from household goods to clothing, please consider sending it to school for Ms White's attention- she will know the correct people to give everything to. Any, and all support, is greatly appreciated. We're excited to get to work! Thank you for being a part of our community and our story.

Below: Community Outreach Portfolio volunteers for St. Patrick's Catholic Church.

Leon Mwepu, Cairis Appollis, William van Aarde and Ethan Mostert volunteered their holiday time to help the church to prepare for their fete on Saturday morning.

The boys worked hard and made a big impact. Volunteering our time is the greatest gift that we can give to others. We are proud of you.

END POLIO NOW

Friday 18 OCTOBER | **17H00 Somerset Field, Graeme College**

🎉 **Announcing the End Polio One Mile Run!** 🎉

We are thrilled to share that our school will be participating in Rotary International's End Polio drive with the End Polio One Mile Run on Friday, 18 October! This event will take place on Somerset Field at Graeme College, in collaboration with the Rotary Club of Grahamstown and our own Graeme Community Engagement Team.

Join us for a fun and meaningful day as we run to raise awareness and funds to help eradicate polio. A mile is just 1.6 km—easy peasy!

Let's aim for a bumper turnout and show our support for this important cause. All proceeds will go towards the End Polio initiative.

We can't wait to see you there! 🏃‍♂️

OLDENBURGIA TRAILRUN

For the Love of the Mountain Open Meeting

Monday 7 October 2024 - Graemian Centre 18h00

A year ago, the Rotary Club of Grahamstown Sunset launched this initiative to ask all individuals, organisations and interested Mountain Drive lovers to join together to promote, preserve and celebrate the Mountain Drive. It is time to report back and check in on how we are 'loving the mountain'.

We would like to elect a small committee to assist us in driving this initiative into the future, as well as asking for assistance with preparations for the 2024 Oldenburgia Trailrun (2 Nov).

To all the bikers, walkers, runners, plant lovers, trail clearers, photographers, birders, animal lovers, snare hunters, tree poppers - and anyone else who treasures the Mountain Drive - please join us to hear the latest and add your ideas to the **'For the Love of the Mountain'** initiative.

This meeting will be hosted by the Rotary Club of Grahamstown Sunset and will be about an hour long. For more info, WhatsApp 082 772 0407.

All welcome! Please share with fellow mountain lovers!

Have we mentioned we have the best parents before? Having such dedicated support from the moms makes a huge difference for the boys. Their energy and encouragement definitely lifted the team's spirits at the Knysna Cricket Festival festival that our u13 boys attended. 🙌 A big shoutout to all the parents for cheering them on!

🌸 Spring Cleaning Donation Request 🌸

As we embrace the spirit of spring cleaning, our Foundation Phase Library is looking for the following when decluttering. We kindly request the following donations from our Graeme College Family:

1. Lego for our Lego wall project.
2. Art Supplies: Any leftover art materials, like crayons, coloured pencils, or craft paper, will help spark creativity in our young learners.

Thank you for your continued support in making our library a vibrant space for our students!

WE ARE BUILDING A LEGO WALL!

Lego walls have so many benefits including encouraging creativity, learning to reason and learning to solve problems.

The Foundation Phase Library is please requesting any donations of old Lego & Lego base plates, so this stunning new wall can be created for our junior school boys to enjoy.

Please send to school for the attention of Mrs Tidbury. Thank you!

Our Junior School Foundation Phase Library is getting a makeover! A makerspace/creative corner will be made for our creative, budding artists! We are therefore please requesting for anyone to donate cardboard, tape, glue, pens, stationery, googly eyes, pipecleaners - anything arts and crafty that we can use to get our craft on! Thank you Graeme College Family!

Graeme College's U15 7s team recently participated in the prestigious Champions of Champions 7s Tournament, hosted at Grey College in Bloemfontein. The team faced tough competition in a challenging pool, made even more difficult by the horrendous weather conditions, including icy cold temperatures, gale-force winds and rain.

Despite narrow losses in their first two games, mainly due to unforced errors and not playing to their full potential, the boys showed resilience. Their final match on the first day saw an improvement, with the team playing better rugby and securing a win as the weather worsened.

On day two, Graeme College maintained their momentum, winning all their remaining games and ultimately taking home the Bowl Trophy, finishing 5th overall. The tournament provided an excellent learning experience for the team, allowing them to compete against some of the top schools in the country.

150 year book

Journey through more than 150 years in our Graeme College history. Our book is still available to buy and will be treasured by everyone who buys it- we promise!

The book is available to all alumni or anyone interested in the history of our special school. This book is a culmination of years of work by Peter Breetzke & Ernie van Hille. Order Information: Contact Ms Busi Stamper: b.stamper@graemecollege.co.za

Next year 2025 Graeme College will be 152 years old. More importantly, the new Graeme College, where it is now, started in 1975 -which will be 50 years ago. It follows that it will be a special milestone. The 1975 matric class will be celebrating their 50th class reunion (the first matric class). The reunion will add an extra layer of nostalgia and excitement to the celebrations. There will be plenty of opportunities for everyone to come together and reflect on the school's rich history. More dates to follow.

One of the highlights of the school's rugby calendar is Rugby Day. Traditionally this one-day festival is held on the final Saturday of the first term. From humble beginnings in 1998 when 4 schools participated, it has grown into the most prestigious day of rugby in the Eastern Cape featuring no less than 16 schools and over 1200 players. Rugby Day is an opportunity for the whole Graeme Family and community to come together and a chance for players to enjoy the special camaraderie and fellowship that is evident in a sporting contest when played in the right spirit. Save the Date in your diary!

Last year he was playing for Graeme College 1st XV... now he is a Currie Cup champion!

We are delighted to announce that Graeme College has purchased a full membership of the VIVE TEEN WELLNESS application, which will enable ALL our learners to have full access to the app. It is something that we have thoroughly investigated, and feel that this is a massive step in the right direction for the wellbeing of our all learners. We are excited that every learner will have safe space to learn more about mental wellness, and reach out for help if needed, in a number of ways.

VIVE TEEN WELLNESS is an Artificial Intelligence enabled digital platform and smartphone application that was built in South Africa. The first version was launched earlier in 2023, with several schools presently using the full suite of functionality. The schools and learners that have been using the platform in recent months have provided us with very valuable feedback that assisted us in planning the next phase of the roll-out.

During 2022 VIVE TEENS has been selected as a winner in the UpLink - World Economic Forum (WEF) Youth Mental Health Challenge where it has competed with over 120 other mental health companies from across the globe.

The platform is expected to launch internationally early in 2024, and as part of that process we are awarding South African schools the opportunity to gain from a locally built application and support the mental wellness of our children.

The Graeme College subscription starts from 1 September 2023, but we would like our learners to download the application in the meantime, and familiarise themselves with it by referring to the various videos and guides.
